FBI Again Seeking Fitzgerald After Break From Jail

Bold Jail Break Frees Five As Accused Slayer Being Sought

The federal bureau of investigation, whose agents were responsible for the arrest of Stanley William Fitzgerald, reentered the case this week and indicated he would be put back on the FBI's "most wanted" list.

Six agents went to Nevada City to join other officers in the search for Fitzgerald who escaped from jail with four other prisoners Sunday night.

One of the guns stolen when the five escaped was the .22 revolver with which Fitzgerald was accused of killing George Bonn and wounding Milton Young near Truckee August 3.

Peace officers throughout the west are on the lookout for Stanley William Fitzgerald, 39, accused of the murder of one man and the serious wounding of another near Truckee, and four other prisoners who escaped from the Nevada County jail Sunday night.

Fitzgerald was being held for the slaying of George Bonn, a San Francisco cook, and the wounding of Milton J. Young, 41, Lewiston, during an alleged holdup at Woodchopper Springs August 3. Young is still in the Tahoe Forest Hospital recovering from wounds.

Also involved in the bold jail break were Robert Lee Smithson, 31, jailed on a bad check charge and three juveniles, Donald Snyder, 17; Kelly Coleman, 16, and Larry Pensoneau, 17.

According to Sheriff Wayne Brown the break was affected as follows:

At 9:30 Sunday night Fitzgerald and Smithson started beating on the bars of their cell and demanded a jailer. Deputy Sheriff Carl Arbogast, who was on the telephone sent Ray Blakely, 47, a jail trusty, to see what was wanted.

When Blakely approached the cell, Fitzgerald siezed him, pushed a knife against him and forced him to surrender the cell keys. Officers did not know how Fitzgerald obtained the knife.

After unlocking their cell, Fitzgerald and Smithson locked Blakely in and then unlocked the cells of the three boys. The five went downstairs and caught Arbogast by surprise and while Fitzgerald held the knife at his throat Smithson went into the sheriff's office and obtained three guns, a .22 a .32 and a .38. They then took $25 and the badge from the deputy and pulled the wires from the shortwave radio which 20 minutes later was repaired to send out the warning. Arbogast was locked in a supply room for five minutes before he could escape.

Police Officer Frank Milne, cruising nearby, heard the shouts raised by Arbogast and Blakely and went to their assistance.

In the meantime the escapees took a pickup truck belonging to Arbogast and fled.

Road blocks were immediately set up on all roads leading from the area but the culprits were not located and it is generally believed they may have holed-up in the area to await a more favorable opportunity to leave.

Fitzgerald was on the FBI's list of the ten most wanted men before he was arrested a few weeks ago by the FBI in Portland.

HUNTERS RETURN AS ILL LUCK MARKS TRIP

Sergeant Frank Snyder, Gil Kumle and Jack Neugebauer of Truckee and Frank Neugebauer of Roseville have returned from an eventful deer hunt in eastern Nevada.

Snyder reported that the weather while they were there was foul with four days of fog and storm. One of their horses fell and had to be destroyed and in the fall one of Snyder's prize rifles was broken.

However, for the more than 1,000-mile trip they bagged four deer, compensating for some of the bad luck encountered.

GREAT BOOKS CLUB MEETS NOVEMBER 9

The Great Books Discussion Group is currently discussing Dante's Divine Comedy. Scheduled for the November 9 meeting is the second part, Purgatory.

Mrs. Laura Wilson will lead the discussion beginning at 8 p. m. in the study-hall library in the high school in Truckee.

LANCASTER OFFICER MOVES TO TRUCKEE

Patrolman E. M. Chapman of Lancaster has transferred to Truckee to join the local squad of the California Highway Patrol.

Currently, the new patrolman and wife and two children are occupying their trailer house at Sierra Mobile Homes.

Home From Hospital—

Al Pfaendler who was under medical treatment at San Francisco returned home last week.

Varsity Loses As Juniors Win Here In Douglas Game

Although displaying much improvement since the opening of the current season, the Tahoe Truckee Wolverines Saturday went down to defeat before the Douglas gridders from Gardnerville 13 to 6.

While the varsity lost, the Juniors broke into the win column by defeating the Douglas JV 38 to 7 in a spirited game which gave hope that next year's varsity will present a real threat in conference contests.

In dropping their sixth straight game of the season, the Wolverines played their best ball of the year, but the Douglas speed and passing had an edge.

Douglas Tigers scored the first time they had possession. A forward-lateral pass play, with Jim Fox tossing and Mike Kinkel winding up on the end of the scoring maneuver. There was no conversion and the first period ended 6-0.

Tahoe Truckee marched to Douglas' 5-yard line in the second period before being held for downs. The third quarter was also scoreless, and Kinkel scored the second Douglas touchdown on a 15-yard run in the final period.

The Wolverines tallied their TD in the fourth quarter, with Doug Baxter racing 18 yards to pay dirt.

For Douglas, offense standouts were Kinkel, Fox and Byron Jack, while on defense it was Irvin Jim, along with Bill Kinkel and Neil Petticord.

Fish Planting For Tahoe Is Started

The Outdoor Sportsman, a publication issued by the California Department of Fish and Game reports that the first phase of a major project designed to improve angling on Lake Tahoe began in September.

On that date, 90,000 rainbow trout, weighing 90,000 pounds, were released at three localities on the California side of the lake.

The primary objectives of this year's plant are to determine where and when future plants should be made to obtain the best survival and growth of the hatchery fish when planted in rocky or sandy shoreline areas, or far out in the lake. Each trout will be marked by the removal of certain

TWO ARE INJURED ON FOOTBALL FIELD

It was a tough day on boys at the high school football field Saturday.

Dan Chandler, son of Mr. and Mrs. Harry Chandler of Squaw Valley and a star on the varsity team, had a hip pulled out of joint and was rushed off the field to the Tahoe Forest Hospital during the game by Truckee Ambulance.

Ronnie Walker, an elementary school student and son of Mr. and Mrs. James Walker of Truckee suffered a broken collar bone while romping with other youngsters on the sidelines during an intermission. He was also treated at the hospital and went home.

Both victims are recovering nicely.

TWO ARE FINED FOR ILLEGAL CAMP FIRE

Two men charged with illegal burning were hailed before Judge F. W. Wilson this week and fined $78.75 each.

John Pernig of Cupertino and Fernando Pentanda of Honeyvale, were apprehended by the forest service after they burned trash in the wide area while cleaning up their camp near Boca.

COUPLES CLUB TO HOLD RECEPTION

TAHOE CITY — The Couples Club of St. Nicholas Mission at Tahoe City will hold a reception Wednesday evening, November 9 between the hours of 8 and 10 o'clock in honor of Dr. and Mrs. Arnold Carlson who have newly arrived here.

San Francisco Sojourn—

Enjoying a brief sojourn in San Francisco were four local couples, including Mr. and Mrs. Lauren Russell, Dr and Mrs. Ben King, Mr. and Mrs. Zeph Rose and Mr. and Mrs. Dave Rose of Arcata.

Increased Rates For Water Users At Lake Approved

Improvements In Service Asked As Order Is Issued

The Public Utilities Commission of California has ruled that the Donner Lake Utility Company can up its rates but not to the extent requested in a recent application. At the same time the commission ordered the company to revise its system to meet requirments.

The company had requested a minimum of $72 for each one-inch meter and a $108 minimum for each 2-inch meter per year. In its order, the commission allowed a $60 minimum for the one-inch and $90 for the two-inch meter annually.

The previous minimum rate for all meters was $24 from April through November 30 and a $3 monthly charge from December 1 through March 31.

For general flat rate service, the same charge was requested for each single family unit, or $72 a year. The present charge being $24 for the period April 1 through November 30 and a $3 per month charge for the balance of the year.

The commission allowed a $60 charge per year for single family residents and $30 per year for each additional hotel, apartment or motel unit, with an additional $30 for the first unit per year.

The annual flat rate charge applies to service connections not larger than one-inch in diameter.

The company was asked to install a shut-off device for each service connection and make other required improvements in the service.

PATROL POINTS OUT SCHOOL BUS CODE

Apparently many drivers are not familiar with the vehicle code which covers passing school buses on the streets and highways and as a result some confusion is resulting, Lieutenant Oliver Ledford of the California Highway Patrol reports.

Section 22454 of the vehicle code provides that the driver of any vehicle meeting or overtaking from either direction any school bus equipped with signs as required in this code which has stopped for the purpose of receiving or discharging any school children and displays a flashing red light signal visible from the front or rear shall bring the vehicle to a stop immediately before passing the school bus and shall not proceed past the school bus until the flashing red light ceases to operate.

The driver of a vehicle need not stop if the red lights are not flashing, but should pass with caution. Neither is a driver required to stop if there are separate roadways and the bus is upon the other road from the vehicle desiring to pass.

FAMILY IS AWARDED DAMAGE IN ACCIDENT

The wife and three children of a Daly City construction worker killed during the building of the Squaw Valley Olympic facilities, has been awarded $89,000 in a settlement with the Reno contractor.

Mrs. Marcelle Stephens receives $41,420 and the children $13,806 each from Andrew Ginocchio, owner of the Reno Iron Works.

The husband and father, James Stephens, was killed October 27, 1958 while working on a judges' stand. The suit said Ginocchio was operating a crane with a steel ball which hit and killed Stephens.

WYETHIA CLUB WILL ELECT AT MEETING

Efforts to reorganize and elect new officers for the Truckee Wyethia Club will be undertaken at a regular meeting to be held tomorrow (Friday) at 8 p. m. at the clubhouse.

All members and prospective members are urged to attend this important gathering.

HEADSTONES BROKEN BY LOCAL VANDALS

Vandals during the weekend wrecked a score of headstones at the Truckee cemetery and officers are seeking clues which might lead to their arrest.

Some of the stones were broken and others pushed over onto the ground.

SUNBEAMS

By WALTER M. BARRETT

You may have a lot of things to do on Tuesday, but there is one item which you must not overlook and that is to go to the polls and cast your ballot. The forthcoming election may well be the most important of the century and your vote is just as big and important as the next one, so exercise your privilege as a citizen of a free country and take time out to vote. Vote as you please, but VOTE.

The Christmas shopping season will soon be upon us and already your local merchants are starting to display holiday items. Why not make this a real trade at home Christmas and do all your shopping with your hometown business people. In this way your money will stay at home to make your community a better place in which to live. Your money spent in other centers never finds it way back to your home town.

Cost Of Water At Tahoe Estimated

KINGS BEACH—The cost of the first stage of an adequate water system for the North Tahoe Public Utility District is estimated at $655,236 by the Palo Alto engineering firm headed by George S. Nolte.

Two alternate plans to serve only the commercial area of the community are estmiated at $325,125 and $362,846.

The cheapest, called Plan A, would include new water mains in the commercial area and two 250 gallons per minute pumps for domestic water supply and a 1,500 gallons per minute pump for fire protection.

Plan B would be the same as Plan A except that a 500,000 gallon reservoir above the town would be substituted for the fire pump.

Plan C, the most costly, would be substantially the same as Plan B but would serve a larger area, bounded on the east by Chipmunk Avenue, on the west by Secline Street and extending from the shore of Lake Tahoe north to Speckled Avenue.

In each case, the water would be pumped from Lake Tahoe and chlorinated.

BUILDERS EXCHANGE HOLDS LAKE MEET

KINGS BEACH—The North Tahoe Builders Exchange board of directors met October 28 at Kings Beach Bowl where Attorney Paul Melee expressed interest in the aims of the organization. The unsuspected hazards and financial responsibilities that home builders incur unknowingly when they employ the services of unlicensed contractors was discussed.

Attending the meeting were Charles P. Elleard, Ray Shaw, Frank Lance, Aaron Abbott, Gordon Bitler and Byron Abbott. Guests included Vince Michener, Attorney Melee and Douglas A. Johnson of the Associated Underwriters Insurance Brokers.

EMPLOYMENT CREW TO WORK AT TAHOE

Ralph Pyle, manager of the Auburn office of the state employment service, announced this week that beginning Monday, November 14, the office in Truckee will be open and the following Monday, November 21, the crew will be at Tahoe City.

From then on, the service will alternate on a weekly basis between Truckee and Tahoe City, the crew being in Truckee one week and at Tahoe City the next.

Sees Relatives—

Mrs. Harold Langille returned from a trip to Redwood City where she visited her sister who underwent surgery and at Berkeley, stopping to see Mr. and Mrs. J. C. Langille.

At Salt Lake—

August Sassarini has been a patient at the Salt Lake Veterans Hospital undergoing tests. His friends are hopeful for his early health recovery.

Sacramento Man Wins In Weekly Local Deer Derby

First Annual Contest Ends This Week; Local Boy Is Leading

Bill Hazelton, 16 year old Truckee boy, continues to hold his lead in the first annual buck derby sponsored by the Truckee Outdoor Sportsmen after the sixth week of competition.

Last week's award, a $50 merchandise order on Cabona's went to Harvey Yue of Sacramento, whose 180 pounder came within four pounds of the record kill by young Hazelton.

This week will see the end of the contest when a cooker and camp stove will be given the hunter with the heaviest field-dressed buck brought in before 8 p. m. Sunday night.

The grand award, a high-powered automatic rifle will be given at the same time to the hunter with the largest buck killed this season in this area. All hunters are invited to participate in the contest whether members of the Outdoor Sportsmen or not.

Winners to date beside Hazelton and Yue were Randy Burkey of Sacramento, James F. Haskins of Vallejo, Bruce B. Bales of San Rafael and Robert Ellis of Sacramento.

RECITAL IS GIVEN BY LOCAL PIANO CLASS

A recital of piano students and Halloween party were given Thursday evening by Mrs. William Englehart in her studio for the pupils and guests, the chosen theme was carried out in the cleverly made appointments and games.

Singing and refreshments followed the program of music.

Those presented by their teacher included Dorothy and Danelle Pomin, Sally and Ann Starratt, Michelle DeLisle, Karel Sauby, Gail Shackleford, Linda Russell, Gail Englehart, Monte Straub, Linda Giovannoni, Marcia Leamon, John Atkinson, Cheryl Flory, Jayne Shontz. The latter was unable to play due to an arm injury.

The selections were by well known composers and the translations well received by the audience.

VISITOR AT TAHOE EXPIRES SATURDAY

Alto C. Moorbrink, 73, expired Saturday at Tahoe Vista and the body was taken to San Francisco by the Truckee Colonial Mortuary for burial in the Golden Gate National Cemetery. Moorbrink for a number of years has enjoyed visits at the summer home of his son, Alto, Jr. at Tahoe Vista but was a resident of San Francisco.

He is survived by his wife, Florence and his son, both of San Francisco. He was a native of Cincinnati, born December 15, 1886 and was a veteran of World War I.

SCHOOL BOARD MEET CHANGED TO NOV. 10

Due to election day falling on the regularly scheduled meeting date of the governing board of the Tahoe Truckee Unified School District, by direction of the president, Byron K. Miller, the date has been changed to Thursday, November 10, at 8 p. m., in the Tahoe Truckee High School.

Given Diamond Pin —

Art Leitch of Placerville and former manager of the Pacific Telephone office at Truckee was presented with a diamond pin for his 40 years of service from Frank Jordan, northern division commercial manager. The pin was presented at a luncheon for the district managers in the home of Mr. and Mrs. Leitch, the occasion of Leitch's retirement from the company.

SNOW FALLS

An inch of wet snow fell in the Truckee-Donner area this morning, lessening the fire danger in the forests and making roads hazardous. Snow was also reported in the Reno area and over Donner Summit.

Mattos Guests—

Mr. and Mrs. Joe Mattos had as their guests recently, Mr. and Mrs. Patrick O'Connor of San Jose. Mrs. Mattos and O'Connor are brother and sister.

New Post Office At Tahoe City To Be Open Nov. 15

TAHOE CITY — Although the new post office in the Safeway Shopping Center will be opened not later than November 15, the dedication ceremonies planned for November 12 have been postponed until a later date, probably next spring.

Postmaster Oliver Corona said that while the building for the post office is completed, the surrounding structures are still incomplete and would not lend to a dedication at this time.

The building will provide 3,600 square feet of interior space, a 320 square foot loading platform, and 2,050 square feet of hard-surfaced space for parking and truck maneuvering. Specifications call for new modern lighting and equipment, including a low, pen patron-service counter. It is built to postal specifications and designed for efficiency in mail handling.

Much Timber Sold Off Donner Burn

Regional Forester Charles A. Connaughton stated that as of October 24, 160,00,000 board feet of timber killed by forest fires in 1960 has been sold from national forest lands in California.

This volume represents more than half of the total salvageable amount. The remainder 130,000,000 board feet is either ready to sell or will be offered in the spring when access is again possible. No damaged timber has gone begging in spite of a slow market for manufactured lumber. Connaughton commended the industry for its fast action in taking on the salvage program.

Salvage of timber represents one important phase in the overall rehabilitation program planned for all major burned areas. Area will be planted with commercial seedlings following timber salvage to speed up the process of getting timber land back into full production. Salvage timber has been sold

SMALL FIRE FOUGHT IN AREA NEAR BOCA

Indicating the powder-dry condition of the forest area, a fire started a mile north of Boca Sunday about noon and had it not been for the fast and efficient work of the forest rangers and suppression crews a major conflagration may have resulted.

As it was, only about a quarter of an acre was burned over.

Forest service officials pointed out that the danger of fires in the region are still great and warned hunters and others frequenting the woods to be more cautious with fires and cigarettes.

WATER GROUP WILL HOLD CAPITAL MEET

SACRAMENTO—The Joint California-Nevada Interstate Compact Commission will meet Thursday and Friday, November 3-4, in the assembly room of the State Agriculture Building, 1220 N Street. The meeting on each day will begin at 10 a. m.

Chief points of discussion will be compact principles relating to storage rights in Lake Tahoe and language regarding methods for adopting depletion criteria for allocation of water to the Lake Tahoe Basin. Other compact principles and terms previously considered by the California and Nevada Commissions, will also be placed before the two-state body.

VICTIM OF CRASH ON HIGHWAY SUCCUMBS

Frank George Miehling, 45, Marysville, critically injured in an automobile accident 5½ miles east of Truckee on September 27, died Friday in a Reno hospital, the California Highway Patrol here has been notified.

Miehling, who was alone in the small car, apparently lost control and the car knocked out a number of highway markers landing in the dividing section of the freeway.

ROBBERIES REPORTED

It was reported that four local burglaries occurred in Truckee last night. The Truckee Hotel reported a cigarette machine was broken open and coin boxes at the Z Market and Curran's Ice plant were looted and the Richfield Station at Gateway was the fourth victim.

Many Issues Will Be Decided Tues. On Election Day

15 State, One Local Issue Will Be Voted Upon At Election

Voters Tuesday will go to the polls to select not only presidential electors, but will decide three other important congressional and state legislature candidates and vote on 16 measures.

The three qualified parties in the presidential race are republican for which Richard M. Nixon and Henry Cabot Lodge are candidates; the democratic in which John F. Kennedy and Lyndon B. Johnson are the nominees and the prohibition party with Rutherford L. Decker and E. Harold Munn as president and vice president candidates.

Democratic Incumbent Harold T. (Bizz) Johnson is facing his republican opponent, Fredric H. Nagel, Jr. for the seat in congress from the second district.

Weston W. (Wally) Brunker is seeking to unseat State Senator Ronald G. (Ron) Cameron. Brunker is a republican and Cameron a democrat.

In the sixth district assembly contest Paul J. Lunardi, the democratic incumbent has as his opponent Willard L. Harvey the republican candidate.

Three incumbent associate justices of the supreme court have no opposition and the ballot asks only if they be elected, yes or no.

Of most local interest among the 16 propositions is Proposition A which would redistrict the supervisorial districts of Nevada County. The others, No. 1 to 15 are state-wide propositions dealing with a number of issues. Principal among these is Proposition No. 15, the senate reapportionment issue which would take away northern California senate seats and give them to southern California.

No. 1 is also controversial in that it provides for a $1,750,000,000 bond issue to be used by the department of water resources for the development of water in the state.

BENEFIT DINNER TO BE HELD AT LOCAL SCHOOL SATURDAY

Weston Sauby, principal of the Truckee Elementary School, this week announced that the annual scholarship fund dinner will be held in the school cafeteria from 6 to 8 p. m. Saturday, November 5.

The dinner is sponsored by the faculty of the school as contribution to the Tahoe Truckee Educational Association's scholarship fund for a qualifying high school senior.

Mrs. Muriel Frey is the excellent chef in charge of the dinner which promises to fill the inner man to satisfaction. Nominal prices ranging from 75 cents for school children, $1 for high school students and $1.25 for adults will be charged. Tickets are being sold but will also be available at the door.

WATER COMPANY IS APPROVED AT LAKE

The California Public Utilities Commission has certified a new water company at Lake Tahoe, the Quail Lake Water Company which will serve the area approximately eight miles south of Tahoe City including Chamberlands Subdivision and Chambers Lodge resort.

The company proposes to charge a flat rate of $36 per six-month season for residential service. For each additional residence, or hotel or motel unit on the same premises and served at the same time, the charge will be $18 per season.

Service may be taken either for the summer season, May 1 through October 31, or the winter season, November 1 through April 30, or both seasons.

LODGE OPERATOR IN MISHAP ON DONNER

James A. Scardina, 43, operator of the Loch Leven Lodge at Donner Lake, was seriously injured last Thursday at 11:40 p. m. when the Jeep he was driving plunged off Donner grade a mile from the foot of the summit.

Scardina apparently was west bound and lost control of the vehicle which plunged 50 feet below the highway.

The light of the vehicle attracted attention of a truck driver and the highway patrol was notified. Scardina was taken to the Tahoe Forest Hospital by Truckee Ambulance.

GUESTS AT BLATCHLEYS

Leslie Noble of Winnemucca, Nevada was the guest of his brother-in-law and sister, Mr. and Mrs. B. H. Blatchley of Gateway Park. Miss Brenda Blatchley, the couple's daughter who is a junior at the University of California is expected home for the Thanksgiving holidays.

NOTICE OF BREACH AND OF ELECTION TO CAUSE REAL PROPERTY TO BE SOLD UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that default has been made by CARL BUEK and GLADYS BUEK, his wife, in the performance of the provisions of that certain deed of trust bearing date of the 7th day of September, 1957, and given by Carl Buek and Gladys Buek, his wife, as Grantors, to the California-Sansome Corporation, a California corporation, Trustee and The Bank of California, National Association, as beneficiary; that said deed of trust was recorded in the office of the County Recorder of the County of Nevada, in Volume 237 of Official Records, at page 136 on the 25th day of September, 1957;

That the breach consists of the failure to pay the principal sum of the obligation secured to be paid by said deed of trust, and the failure to pay the interest thereon and the failure to pay insurance premiums and taxes;

That because of the said default the undersigned beneficiary has elected to consider the entire sum secured to be paid by said deed of trust due and payable, and said beneficiary will, in the event that said breach continues, cause said real property to be sold in the manner required by law to satisfy the obligation of the Grantors.

The said real property described in said deed of trust, and subject to sale, is situated in the County of Nevada and described as follows:

That portion of Section 22, Township 17 North, Range 14 East, M.D.B. & M., described as beginning at a point on a curve which is the Northerly reservation line of U. S. Highway 40, from which point the center of said curve bears South 15° 09' West 800.00 feet and from which a concrete monument on the beginning of said curve bears North 86° 33' West 318.6 feet, said monument bearings North 25° 23' East 50.0 feet from the State of California, Division of Highways, Division III, Nevada County, Route 37 Engineering Station 2661 76.6 (center line station); thence North 0° 40' West 75.6 feet; thence South 60° 30' East 52.41 feet; thence South 73° 44' East 57.8 feet; thence South 0° 15' East 69.0 feet to intersection with said curve on the Northerly reservation line of U. S. Highway 40, said intersection bearing North 22° 47' East 800.00 feet from the center of said curve; thence Northwesterly along the arc of said curve 106.58 feet to the point of true beginning, containing 0.16 acres, more or less.

CHP OFFICERS MAY PROBE COUNTY CASES

SACRAMENTO — (CNS) — Officers of the California Highway Patrol have the same duty and responsibility as the county sheriff in investigating motor vehicle accidents which result in personal injury or death, even when they occur on private property.

That was the opinion of Attorney General Stanley Mosk. He added, however, that this did not mean CHP officers were authorized to patrol private roads.

Mosk said the patrol's authority to investigate accidents applied "upon highways and elsewhere throughout the state, unless expressly provided otherwise."

EQUALIZATION BOARD OPPOSES PROPOSITION

SACRAMENTO — (CNS) — The state board of equalization has charged Proposition 6 on the November 8 election ballot would provide preferential tax treatment for golf courses and shift taxes to home owners and others.

The three members of the board present at a meeting in Los Angeles voted to oppose the ballot measure. Present were John W. Lynch, Visalia; Richard Nevins, Los Angeles; and George R. Reilly, San Francisco.

The board said that, under the proposal, assessment of country club property would be limited so as to reduce taxes in a way unavailable to other land owners.

Presidents George Washington and John Adams listed their party affiliation as "Federalist."

DONNER SUMMIT NEWS

By LLOYD W. GAY

WEATHER

Indian summer in the Sierra was interrupted briefly last Wednesday when a snow flurry left nearly an inch of snow at Soda Springs. This snowfall contained 0.15 inches of moisture, the only precipitation for the week, and it soon melted as the skies cleared at noon. The warm clear days continue, as the maximum temperature for the week was 63 degrees, and the minimum was 27 degrees.

SIERRA CLUB

The Lumases returned to assume direction of the Sierra Clubs Clair Tappan Lodge in mid-October, after spending the summer in the bay area. Keith, accompanied by his wife Hazel and children Susan and Jimmy, has managed the club for the past several years. Jim and Virginia Clifford, the manager for this past summer season, will return to San Mateo with son Jimmy for the winter months. Jim and his family plan to spend a lot of time here during the winter ski season.

EDUCATORS MEET

The Donner Trail Educators Association met with a potluck dinner at the Blue Canyon School last week under the direction of President Zoe Belieu, principal of the Blue Canyon School. The organization, attended by Rex and Beth Anderson and Gloria Reid of our Donner Trail School, includes educators and their wives from all of the smaller school between Auburn and the Sierra crest, such as Blue Canyon, Dutch Flat, Alta, Emigrant Gap, and Forest Hill.

GROWNUPS HALLOWEEN

The Famous Old Soda Springs Hotel was the Saturday night gathering for trolls, ghouls, knaves, goblins, and even a few wistful preseason skiers at a hoppin' Halloween party. There were many clever costumes in the large crowd, with prizes going to Betty Hampton, dressed as Daisy Mae, and to Thelma Norgren of Reno, who successfully hid her identity beneath 22 pairs of sox until the unmasking at midnight. The hotel staged pie eating, apple eating, donkey pinning contests during the evening, and ended the party with a midnight supper of barbecued short ribs.

ROTARIANS RELAX

On Sunday night the Truckee Rotary Club enjoyed a dinner dance at the Soda Springs Hotel, with arrangements completed by Rotarians Harley Mann and Bill Cannon. Francis Dragoo provided dinner and dance music for the Rotarians and their guests with her electronic piano.

RECUPERATING AT HOME

Barbara Zorich is back home, recovering from recent surgery at the Washoe Medical Center in Reno.

SCHOOL PARTY

The children at Donner Trail School received a special treat when Mary Dewitt and Dot Loder provided cupcakes decorated in a Halloween motif for a school party. The driver of the Golden State Milk Company truck provided ice cream for each of the children.

VETERANS' DAY

The date of November 11, designated as Armistic Day in recognition of the end of World War I and redesignated as Veterans Day at the close of World War II, will be observed as a legal federal holiday by federal employees throughout the nation, and by banks and schools throughout California.

WINTER WONDERLAND EXHIBIT

The Soda Springs Hotel has placed on exhibit in their cellar taproom the exhibit which was on display at the Winter Wonderland Exposition in Oakland in mid-October. The Soda Springs Hotel booth featured an eight-foot square scale model of the hotel and the adjacent Soda Springs Ski Hill. It is a very striking model, constructed by Glenn Jones.

CHILDREN'S HALLOWEEN

The area's elves and fairies gathered for the Annual Community Club Halloween Party held at the Kiski Ski Lodge on Monday, Halloween night. About 75 costumed children, accompanied by a large number of parents, ate hot dogs and played games and kept out of mischief. Costume prizes were awarded to two boys and two girls in each of four age categories. Kindergarten and preschoolers were presented to Jody Sweet as Robin Hood, Ricky Williams, age 14 months as a cowboy, and the Jack-in-the-Box Mitzi Sailor and Persian Dancing Girl Robin Board. In the first-third grade group, prizes were presented to Andy Delcarlo dressed as a train engineer, Michael Allen as a hobo, and to Suzy Aro, a gypsy, and Kim Loder as a Southern Pacific diesel engine. The fourth to sixth grade group winners were Steven Delcarlo in ladies dress, and as yet unidentified mummy swathed head-to-toe in bandages, and to Debbie Zorich, a beatnik, and Lynn Aro, bewigged in a period French costume. Prizes in the seventh grade and older group were given to Candy Board in a flapper dress, to Sherman Williamson as a Tin Man, and to a green moon man named Billy Strickland. There is no question of the success of this party to anyone observing the happy children playing in the many striking and clever costumes. This type of well directed and enthusiastically sponsored group activity is an excellent solution to the problems of a holiday where children traditionally roam the neighborhoods at night which is impossible in our long narrow community, bisected by a busy national highway. The Community Club, its officers and its helpers did a wonderful job in producing this party.

Kennedy Fails as Leader in Congress Test

Unable to Deliver Campaign Promises

The Democrats convened the bob-tailed session of Congress as a propaganda missile to blast their Presidential campaign into orbit—but it blew up on the launching pad.

When the smoke cleared, two big facts could be seen clearly by the American people and no Kennedy maneuvers could subsequently cover them up:

1. Jack Kennedy, in full view on the Senate floor, showed that he lacked qualities of leadership. Chosen as a candidate to lead 180 million Americans of varying political views, Kennedy couldn't even rally and lead his 65 fellow Senate Democrats.

2. The Democrats, even with their overwhelming two-to-one majority on the floors and in all committees, could not get together to pass a program of substance and progress—even with their 1960 national nominees in the Senate.

By any measurement whatsoever, the bob-tailed session was a devastating defeat for the Democratic party and the Democratic nominees And the defeat was administered by the Democrats themselves — on one critical roll call, Kennedy was deserted by 19 fellow Senate Democrats, nearly a third of the Democrats present

Kennedy's Lame Retort

Kennedy wailed after that stinging defeat that action would have to await a "Congress that will act"

Kennedy was talking about a Congress in which he held more of a majority than Eisenhower ever enjoyed; more of a majority than Truman ever enjoyed; more of a majority than FDR enjoyed half the time in 6 of his 12 years; and more of a majority than almost any other President in this century ever enjoyed.

Yet this overwhelming majority was not enough for Kennedy to act.

President Eisenhower called on the Democrats to forego politics and enact 22 items urgently needed in the national interest.

The Democrats passed three, partially enacted two others and vetoed the remaining 17 for a batting average of .277—a bush league performance that doesn't qualify Kennedy for the majors.

Kennedy himself had promised that the special session would pass seven "must" items. But he did not have the "greatness" to succeed on a single one. He had promised Social Security medicare; housing; education aid; minimum wage; farm; situs picketing and increased defense appropriations.

Kennedy's Democrats beat him on Social Security medicare; Kennedy immaturely gave up on minimum wage when he couldn't get all that he wanted—and the others were given scant, if any, consideration.

Kennedy said he would take the issues to the people. But what he is taking to the people is a torn and tattered record of broken promises, party mutiny and lack of personal leadership.

The Promising Prophet of Political Paternalism

CAN ONLY GIVE YOU THAT WHICH HE WILL FIRST TAKE FROM YOU

Can you name one great achievment of executive leadership or statesmanship that would qualify Kennedy for the most important job in the world?

"BILL HARVEY SAYS: LET'S INVEST IN OUR FORESTS

In the past two years 10% of the Tahoe National Forest was consumed by fire. This represents an investment of many millions of dollars lost to our mountain counties for several decades in the form of employment and natural assets. It is time that we assess our forest conditions in relation to fires and fire hazards.

I propose a forest conservation program to create fire breaks on top of our ridges and to burn up (at safe times) very dangerous areas. This program would employ youth in our mountain counties to pile inflamable material to be destroyed later, to create fire breaks along roads, and to build barriers throughout the forests including truck trails to form a control grid against fires.

For an improved forest conservation program, elect WILLARD L. "BILL" HARVEY to the State Assembly, 6th District on NOVEMBER 8.

TAHOE LAKE SCHOOL

KINDERGARTEN: Two new girls, Deborah Ebert and Donna Silva have joined the kindergarten class this week.

The six best Halloween acts were drawn by Mark David, Brad Jorgensen, Sonya Kimball, Sandra Keechler, Kathryn Larson and Katherine Long.

FIRST GRADE: Three reading groups in our room have finished their second pre-primers. The following students made 100 per cent on the reading vocabulary test at the end of the book: John Attardi, Scott Jorgensen, Nancy Kelley, Sheryl Walling, Theresa Vanni, Beverly Freeland, Charlene Keehn, Cinthie Ables, Foster Mullen, Eddie Connors, and Jeri Sampson.

FIRST, SECOND AND THIRD COMBINATION: Our class has written a poem for Halloween.

HALLOWEEN NIGHT

I saw witches in the sky
And black cats flying high.
Witches have black cats and bats.
They ride on brooms and wear black hats.
I saw a jack-o-lantern, as merry as could be.
He was sitting in the window for everyone to see.
Then I saw a goblin standing by a tree.
He jumped out, but he didn't scare me.

SECOND GRADE: In the first 26 word spelling test, 10 children made 100 per cent. Included in this list are: David Tomson, Yvonne Baker, Susan Cannon, Kevin Kehoe, Nikki Ballenger, Jim Phelan, Carl Ruhkala, Janet Barrett and Billy Moyer.

THIRD GRADE: Mark Davis, Jeanne Jones, Sally Starratt, Kristan Attardi and Lynn Duttweiler came out ahead of the rest of their class in an old fashioned spelling bee last Thursday. Actually Mark Davis and Lynn Duttweiler were proclaimed the champions of Mrs. Long's third grade class.

FOURTH GRADE: Children receiving above 97 per cent on a 100 word spelling test covering our first six weeks of spelling are: Richard Burchett, Mark Calhoun, Mike Cannon, Jimmy Caulkett, LeRoy Hammer, Greg Hill, James Orr, Dennis Scoville, Dick Zehm, Cheryl Bechdolt, Linda Grice, Shirley Gratner, Heidi Henrikson, Kathy Mockaitis, Camille Shirley and Ann Wincenciak.

FIFTH GARDE: Final work was done this week on writing and research for our tree booklets. As a grand finale the children enjoyed a talk on evergreens by Bob Wray on Wednesday and a talk on transplanting of evergreens by Norman Anderson of the U. S. Forest Service on Thursday.

SIXTH GARDE: Those receiving "A's" on arithmetic tests last week were: Dick Pomin, Leigh Swigert, Tom Stephani, Terry Stimson, Holly Wall, Ralph Stromgren and Mike Tanner.

"A's" on reading tests were received by: Kathy Coster, Lynn Harper, Holly Wall, Jon Caulkett, Terry Stimson, and Gary Taylor.

Paul Sullivan made the only "A" in the science test.

SEVENTH GRADE: The class elected new officers this week: president, Bill Ottis; vice president: Greg Hickox; secretary Alex Cushing.

One hundreds in the 6-week review spelling test were: Julie Bechdolt, Cathy Conner, Ann Duttweiler, Cheryl Flory, Judy Ingram, Karen McBride, Kristin Meixner, Kathy Wilson, Jerry Jorgensen and Steven Rodgers.

SEVENTH GRADE: Top students in English thus far at the seventh week point are: Ann Skerry, Kirsten Hansen, Virginia Laughlin, Jill Lyons, Cynthia Chandler and Warren Mover.

Best in arithmetic include Lance Poulsen, Virginia Laughlin, Kirsten Hansen, Cynthia Chandler and Douglas Gaeta.

EIGHTH GRADE: Our class is preparing to close out our first quarter's work. Examinations will be given this week. Everyone is hoping to do well.

The class held a Halloween Dance at the Community Center Friday night. All the arrangements were made by the students

PARS AND PATTI TO FEATURE CLUB BILL

CRYSTAL BAY—The Pars and Patti will make their first appearance in the Tahoe area when they open November 4 in the theatre-lounge of the beautiful Nevada Lodge.

The quartet has just completed a series of successful engagements in top supper-clubs in the Pacific Northwest. Each member of the quartet is a vocalist in his own right and when the Pars and Patti get together on a four-part harmony, the styling is both unusual and pleasant. Distinctive instrumentals and novelty comedy routines are also their forte.

Now appearing in the theatre-lounge of the Nevada Lodge is Tony Thomas and the Tartans, a popular young instrumental and vocal trio, that has just returned fro ma tour of the South Pacific.

AUXILIARY PLANS WEIMAR GIFT DAY

KINGS BEACH — The social meeting of the Ladies Auxiliary of VFW Post 7077 was held at the home of Bea Snell on Thursday.

The evening was spent in making bed pads for the Veterans Hospital in Reno. Plans were also made for making Christmas sacks for the children in Weimar Chest Center. Both projects will be worked on following the regular meeting to be held November 10 at the home of Pearl Martin.

President Pearl Martin announced that decorating for the dance will be done on the afternoon of November 10.

Anyone having worn sheets which they would like to donate to be used for bed pads are asked to call hospital chairman Dorothy King or Pearl Martin.

"BILL HARVEY SAYS:
LET'S DO SOMETHING ABOUT UNEQUAL TAXATION

Commodities and services of tremendous value are being transported from our mountain counties on an unequitable tax basis. This discriminatory practice, which deprives us of many millions of dollars every year, is the very thing which may destroy individual effort and free enterprise.

Public utility agencies who are sending water and electrical energy to tax-favored areas of consumption are not paying their just share of taxes to the mountain counties. Equal rates of tax should be applied to all private and public utilities. They should all be brought under the rates established for private utilites by the State Board of Equalization. This would return to our mountain counties a substantial revenue now lost because of the current, unjust tax practices.

Let's regain some of this lost revenue. Elect WILLARD L. "BILL" HARVEY to the State Assembly, 6th District on NOVEMBER 8.

Our class secretary moved away so we have elected a new one, David Reed.

Toni Taylor and Madelyn Kammerer made a Halloween bulletin board. Kent Fugazi made a medicine cabinet. Madelyn Kammerer and Celeste DeSylva made a health bulletin board.

Our class has decided to go to Sacramento to the legislature in session. We are going to raise money by having Saturday movies at the school.

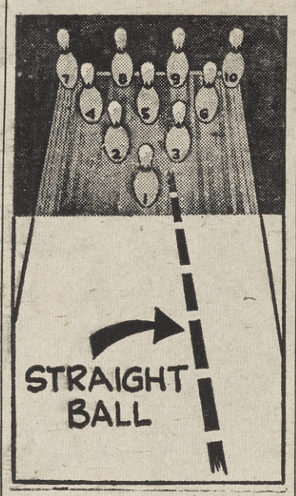
OPEN HOUSE DEMONSTRATION

Hundreds of students and adults recently attended the open house at the Truckee central office of the Pacific Telephone Company. In the upper photo, maintenance man George Halifax explains the intricate dialing system. In the lower picture, Stan Zwarg of Truckee shows a group of students the method of installing telephones.

STRIKES & SPARES

BY JOE WILMAN

BEGINNERS, TRY THE STRAIGHT BALL



A straight ball is rolled by releasing the ball with no finger lift or turning of the wrist. Just let the ball roll off your fingers with no attempt at lifting with the fingers or turning with the wrist.

Most beginners will roll a back-up ball because their wrist will turn to the right as they release the ball... By concentrating on keeping the wrist firm, however, they can develop a good straight ball.

To be most effective, the straight ball should be released near the right corner of the alley as we show in today's illustration. The ball should roll straight down the alley and into the 1-3 pocket from a slight angle. It is this slight angle that helps the ball to continue through and into the 5 pin.

I recommend the straight ball for beginners because it's so easy to roll. This allows them to concentrate on the more important fundamentals of footwork, arm swing and timing.

"BILL" HARVEY SAYS:
LET'S INVEST IN OUR YOUTH

Idle hands are hands that get into trouble. Our youth today are finding themselves without enough opportunities for summer employment in the mountain counties. This should be of major concern to all of us.

I advocate the establishment of a conservation program to prevent the destruction of our forests, to increase wildlife, and to ployed on a weekly basis in this program which could be set up expand sportsmen's facilities. Our youth would be voluntarily em- and administered by our mountain counties. Recreational and other off-job aspects of the program would be under the direction of our teachers who provide the best guidance and training available.

For a forest conservation program to provide our youth with wholesome summer employment, elect WILLARD L. "BILL" HARVEY to the State Assembly, 6th District on NOVEMBER 8.

The newly organized Girl's League of Tahoe Truckee elected officers for the current year. Those senior girls elected were: Bonnie Sumpter, president; Donna Barnes, vice president; Cynthia Reynolds, secretary-treasurer; Judy Schmidt, song leader; Steffie Firpo, senior representative; Lyn Giovannoni, junior representative; Janis Simmons, sophmore representative; and Karla Kaiser, freshman representative. Girl's League was organized for the purpose of furthering better relationship among the girls, the school, and community. The girls of Tahoe Truckee would like to thank Mrs. Barbara Grimm, dean of girls and Miss Evelyn Ames, girls physical education department, for their time and support in organizing this group.

As many of the students of Tahoe Truckee will reach voting age in the next four years, a mock election will be held on November 7. Gary Snyder agreed to be the spokesman for the republicans and Bill Notley for the democrats.

* * *

A future Teachers Club is being organized at Tahoe Truckee for those interested in going into the education field. Those students participating are: Dan Chandler and Greg Wainscott assisting physical education at Truckee Elementary and Tina Gruendemann in the primary grades, at the high school Ruth Parkhurst, Margie Pearson, Joann Jellin, JoAnn Pomin, and Kaytie Corbin are assisting in the girls physical education department and Gary Snyder teaching French I in the newly installed language lab. We wish these seniors best of luck in their future vocations.

The scores of National Educational Development tests were received last week, with five students honoring themselves by achieving high scores. Pat Saarni, Donna Stumbo, Francis McGuinn, John Holley and Dan Briley received merit certificates. Further results may be obtained in Mr. Brehler's office.

BICYCLISTS SUBJECT TO VEHICLE LAWS

Bicyclists have every bit as much responsibility to adhere to motor vehicle laws as do automobile drivers, Lieutenant O. P. Ledford, officer-in-charge of the California Highway Patrol's Truckee Substation said this week.

"Some riders operate their bicycles as though immune to the laws which govern vehicle operation. Actually, it is incumbent upon them to know and observe all traffic rules," he said.

"In addition, there are several tips which can help make your bicycle trip safer. First of all, always ride bikes in single file, if there are two or more in a group. Riding abreast spreads bikes across the roadway, greatly increasing the chances of a car hitting a bicycle.

"Second, never ride double on a bike built for one person. The instability resulting from the added weight may cause the bike to take an unexpected turn—right into the path of a car.

"Third, keep your bike in good condition. Check the brakes periodically, lubricate it, but don't make alterations which may increase the danger of riding. One recent fad has found many youths raising the handlebars to a point where the grips are above the level of the head. It takes measurably longer—up to 15 feet—to stop a bike when the handle bars are that high," Ledford said.

"Fourth, when riding at night, you are required to have a white light visible for 300 feet, on the front of the bike, and a red reflector (or light) on the back, visible for the same distance to the rear.

Just as driving an automobile, alertness, courtesy and attention to the laws of the road contribute to the safe operation of a bicycle."

Car Wash Held—

Members of the Order of the DeMolay held a car wash at Rolland Gautsche's Chevron Station on Sunday.

Square Dancers—

A group from the Donner Dancers were present at the Carson City Square Dance Festival Sunday. Mr. and Mrs. Lloyd Everett were committee members.

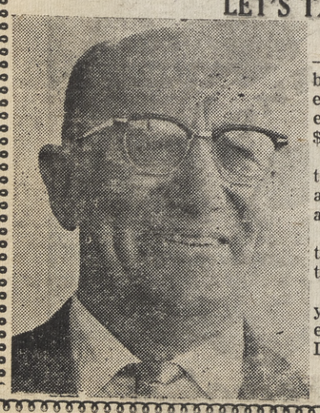
"BILL" HARVEY SAYS:
LET'S TAKE A LOOK AT STATE TAXES



In the last two years your state taxes have been increased 28% —more than seven times the normal rate of increase. This half billion dollars in new taxation is too much to pay for bureaucratic expenditures in our state government. It amounts to $36.33 for every man, woman and child, so that a family of four is now paying $145 more a year in states taxes.

What is the present state administration doing with these new taxes? It has created 50 new commissions, committees, bureaus, and sections. Many of these are administered by $18,000-a-year appointees.

The cigarette tax was increased 3c a pack and state income taxes now start at $2,500 instead of $5,000. Who does this hurt the most? The average taxpayer.

My opponent has supported legislation which has increased your taxes. Is this what you want? For GOOD representation, elect WILLARD L. "BILL" HARVEY to the State Assembly, 6th District, on NOVEMBER 8.

JOHNSON POINTS UP RECREATION VALUE AS ASSET OF STATE

Recreation is northern California's fastest growing "industry."

This point was stressed by Congressman Harold T. (Bizz) Johnson, seeking re-election November 8 as representative of the second, valley-mountain counties, district.

Within the boundaries of the second district there are some 12.5 million acres of national forests and four major national park facilities. These forest and park lands attracted 8,380,751 visits last year. These visitors spent more than 20 million days in the forests and parks of the second district.

"These are the figures for last year," Congressman Johnson said, "and this year's visits are expected to substantially exceed those of last year, with use expected to rise even higher next year. With our facilities already overburdened, we must prepare to meet this skyrocketing demand.

"The federal government has developed two fine programs for this purpose—mission 66 of the national park service and operation outdoors for the U. S. Forest Service. Both are designed to meet the growing recreational use.

"Full implementation of these programs is the only way in which we will be able to met our responsibilities in the recreation field. Further, provisions in this development must be made for all types of use—the sportsman and the nature lover, the hiker and the boater, those who ski on water and those who ski on snow."

Congressman Johnson said he believed that private enterprise was meeting its share of the responsibility, citing as an example the $20 million in private capital that has been invested in snow sports facilities in recent years. Similar investment in summer facilities has been made.

"It now is the responsibility of the park and forest services to provide the campgrounds, the access roads, and all the other facilities required for these purposes.

"Existing facilities are overtaxed most critically. Overcrowding of the developed areas and the resultant use of unimproved areas endanger the water supplies of nearby towns, constitute a fire threat to valuable stands of timber and a pollution threat to our streams and lands.

"The potential damage to public health and public property could easily exceed the cost of adequate sanitation and care at public recreation areas."

John Adams, second president of the United States, died at the age of 90 and is buried in Quincy, Massachusetts.

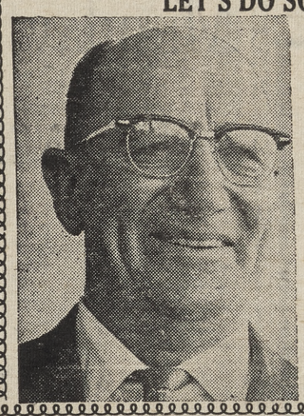
"BILL" HARVEY SAYS: LET'S DO SOMETHING ABOUT CRIMINAL NARCOTICS



Criminal narcotics are coming into our state in ever-increasing amounts. **Ninety-five per cent** of all criminal narcotics smuggled into the state are getting through without detection. They are being pushed upon our teenagers and youth. Our present state administration has been by-passing the responsibility of doing something about this.

Criminal narcotics are causing **over 50%** of all crime in this state. I advocate the following: Invoke the principals of the "LINDBERG KIDNAPPING ACT" by recommending capital punishment for convicted pushers who commit this heinous crime upon our youth; sentence to life imprisonment those who commit all other criminal narcotic activities, including smuggling; and unshackle our law enforcement people who at present are working with ineffective controls.

For prompt action to protect our youth, elect WILLARD L. "BILL" HARVEY to the State Assembly, 6th District on NOVEMBER 8.

WHAT ISN'T THE TOYOTA LANDCRUISER ???

THERE'S PRACTICALLY NOTHING THE LANDCRUISER ISN'T...OR CAN'T DO. IT IS THE WORLD'S MOST POWERFUL, MOST VERSATILE, 4-WHEEL DRIVE, ALL-PURPOSE VEHICLE. READ ON AND SEE WHY IT'S FOR YOU!

THE LANDCRUISER'S 135 HORSE POWER almost *doubles* that of its leading competitor! Sure-wheeled. Stout suspension shrugs off ruts and bumps. Makes roads where there are none.

THE LANDCRUISER'S EXTRA-LOW 5.411 GEAR RATIO has *more pulling power* than any same-size utility vehicle. Toyota's rugged 4-gears need no babying. Soft soil never stops you. Just gear down and ride right through.

POWERFUL, FOUR-WHEEL DRIVE makes easy game of rockiest creek beds, cussedest mud and sand. 8.3-inch ground clearance and beefed-up steel flooring... safe-sure.

THE LANDCRUISER is a jack of all trades. Delivers up to a penny-pinching 24 miles a gallon. Demands little down time. Spare parts and Toyota service are yours at dealers across the land.

TOYOTA LANDCRUISER CANVAS TOP OR HARD TOP

SEE IT. DRIVE IT. TRY TO PUNISH IT. YOU'LL FAIL. BUT YOU'LL WANT IT.

from the Donner Ridge, Volcano, Mosquita, Virgilia and Flora burns on the Tahoe, Plumas, Lassen, and Stanislaus National Forests.

To date 87.8 million board feet of salvage timber has been sold from the Donner Ridge fire. There is another 8.5 million board feet of timber to be sold on Donner Ridge, which has been held up because of road rights of ways. W. L. Price of Redding bought the Sagehen sale, with Buster Marier as logger. Feather River Lumber Company of Loyalton presently has two loggers working the Truckee area. Ed Cooper is logging the Hobart sale and Ellis Smith is logging the Billy Hill sale. Yuba River Lumber Company of Grass Valley bought the Prosser sale and plans to log it next season.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:
JUC. HWY 89 & 28—TAHOE CITY

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

ON-SALE BEER AND WINE

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

fins, so that research personnel will be able to identify the fish when hooked by anglers. Adequate evaluation of the contribution of these fish to the Lake Tahoe fishery is dependent upon their recognition when caught.

It was pointed out that a "put-and-take" program is not contemplated at Lake Tahoe. It is hoped that most of them will grow to 12 inches or more before being caught. This first experiment with rainbows will help to determine the best sites for plants of Lahontan cutthroat and Kamloops trout scheduled for 1961 and 1962.

Stocking in 1961 and 1962 will be aimed mainly at determining if the once-abundant native cutthroat can be re-established in Lake Tahoe. The Kamloops strain will also be tested.

The Nevada Department of Fish and Game is co-operating with California in the program to enhance Tahoe sport fishing.

AS HIGH CHIEFTESS D'AMA LOADS GOLD INTO THE SAFARI, OUTSIDE THE WOO-MOO FORTRESS, LONG-PATIENT AND CAUTIOUS TARZAN KNOWS HIS TIME - FOR ACTION - HAS COME.

DISGUISED IN WOO-MOO GARMENTS, TOM, JOE, CHARLIE AND BUD, BRINGING ITO WITH THEM, HAVE JOINED TARZAN OUTSIDE THE WOO-MOO FORTRESS... BUT ESCAPE SEEMS IMPOSSIBLE.

HIDE YOUR FACES! THERE'S ONLY ONE WAY WE CAN FLEE THESE DEMENTED WOMEN, SAFELY... AND I'M GOING TO TRY IT!

TARZAN REACHES INTO A SMALL LEATHER BAG... THE GIFT OF HIS FRIEND MEPU, CHIEF OF THE VILLAGE OF THE MEDICINE MEN.

11-6 1548

'SHOULD YOU FACE AN ENEMY THAT OUTNUMBERS YOU,' CHIEF MEPU INSTRUCTED HIM, 'EAT ONE OF OUR SPECIAL GIFTS TO YOU, TARZAN! YOUR ENEMY, WHEN YOU LOOK INTO HIS EYES, WILL FREE YOU... AND BECOME YOUR SLAVE.'

BILL ELLIOTT JOHN CELARDO

'BY CHANCE, TARZAN, WE CAME UPON THIS GREAT SECRET,' MEPU PROMISED. 'EAT THE *MAGIC SPIRIT*' WE GIVE YOU, LOOK SILENTLY INTO YOUR ENEMY'S EYES... AND HIS MIND WILL OBEY YOUR MIND!'

MY ANSWER TO YOUR COMMAND, D'AMA, IS READY. BUT PROVE TO ME, AGAIN, THE ABILITY YOU THINK YOU HAVE TO READ MY SILENT THOUGHTS. LOOK INTO MY EYES, AND TELL ME WHAT I'M THINKING!

I READ... YOUR THOUGHT... CLEARLY, NOW, TARZAN. YOU WISH ME TO... OBEY YOU. YES, YOU ARE MY MASTER...

I AM TO ORDER WOO-MOOS... BACK INTO OUR FORTRESS... CLOSE OUR GATE. YES, MASTER, I, D'AMA, UNDERSTAND YOUR COMMAND...

QUICKLY THE AMAZING HYPNOTIC POWER, PROVIDED TARZAN BY CHIEF MEPU'S PHENOMENAL GIFT, PUTS D'AMA INTO A DOCILE TRANCE...
